

# Infinity collection

This collection combines stone with glass to create a diversity of textures. Some favorite blends include the classic Bianco Cararra and Matte Charcoal glass, or Crema Marfil and Glossy White glass.

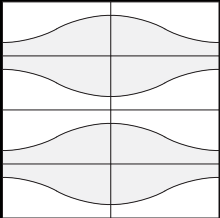

A bolder look is created by combining Charcoal Slate with Matte Ice glass or Gloss White Ceramic with Matte Smoke glass.

Choose your favorite pattern, pick your materials, and send this information to [sales@edgewaterstudio.com](mailto:sales@edgewaterstudio.com).

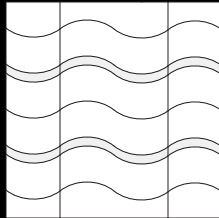

Our consultants are there to help with material options and to answer any further questions that you might have.
